# Prague

Includes one double layer adjustable stainless steel burner of 1.8L

5mm thickness high heat resistant glass

ECOLOGICAL | VENTLESS | ODORLESS | NO INSTALLATION

Another remarkable design, the Prague is a wall-mounted fireplace made of black brushed steel with a black background comprised of a rectangular burner which gives out a dense and open flame. Like the Oslo, the Prague has a frontal glass panel which gives the blaze a subtle reflection. Three feet in width, the Prague is ideal for the bedroom and the living room.
