The Rome is one of our most magnificent free standing fireplaces made of black brush steel. The Rome distinguishes itself by its two tempered glass which are carefully embedded into a solid base. The Rome is endowed with a rectangular 1.8 liter burner made of inox/steel with a double wall frame which includes a device that allows the user to adjust the intensity of the flame. With its three feet in width, the Rome is ideal in the any homes as it can be used as a subtle partition in all the rooms.
